

2017 Online KT Conference: Knowledge Translation Outcome Measurement

**October 30, November 1, and November 3, 2017
(1:00-5:00 PM Eastern)**

This virtual conference is designed to address major strategies in the planning and implementation of effective and efficient KT measurement approaches. Participants will be able to register, view, and ask questions through the event's virtual conference platform, Adobe Connect. The event will occur over 3 days on Oct. 30, Nov. 1, and Nov. 3, 2017, between 1 and 5 PM (Eastern) each day.

- Oct. 30: Overcoming Barriers to Outreach
- Nov. 1: Tools for Tracking Implementation
- Nov. 3: Strategies for Measuring Impact

Registration will be limited to 250 participants. There is no fee to participate but all must register by close of business Friday, October 26, 2017. Participants will listen using their computer speakers and will interact by way of a chat box (CART and accessible options will be available). Each day will include live polls as well as interactive discussions.

Conference site: www.ktdrr.org/conference

AGENDA

Mon., Oct. 30: Overcoming Barriers to Outreach

Time (Eastern)	Session	Presenter
