KTER Center: Improving Vocational Rehabilitation Counseling Services for Transition-Aged Youth

Jeremy Rasmussen
Spring 2018
KTER Center Overview

KTER develops and tests knowledge translation (KT) strategies designed to help vocational rehabilitation (VR) agencies and businesses find, understand and use research related to employing people with disabilities.
What are some of the challenges faced by transitioned-aged youth encounter while seeking employment?
Who participated in these focus groups?
What were some of the perspectives that vocational rehabilitation counselors shared?
What are some of the themes you heard from the youth with disabilities?
Wrapping Up
